

BONDAGE & SM

YOUR SECRET. THE BEST PLEASURE

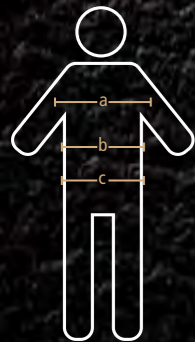

UK Rimba™ has been in business since 1971 and built a highly recognized brand, famous throughout the entire World. All unique Bondage & SM items in this brochure are designed and handcrafted by Rimba in The Netherlands. We care a lot about quality. All the leather skins and raw materials we use meet international regulations for safety and health. Rimba maintains a large inventory and offers a 100% guarantee on production quality. Special sizes and wishes can be made on demand with a small additional price. Cleaning: Clean leather items with a damp cloth and a small amount of soft soap. Gently rub the stains away. Never soak the leather and do not dry quickly. After cleaning, rub the leather again with a dry, clean cloth. You can also use leather maintaining products sold in shoe shops. Visit our website for more information. www.rimba.nl
